

Dear Association Member,

Welcome to 2018, both new and old (past) members. We thank you and appreciate your support of the Bountiful Ridge Men's Association. We have scheduled a variety of tournament formats this year...some with teammates to help you, some with guests to help you, and some with the help of your talents only! Association dues this year will again be \$30.00 (same as years past), with all being put back into the tournament purses throughout the year.

TOURNAMENT ENTRY POLICIES AND PROCEDURES

- The men's association will be allowed to make their Thursday Twilight times one day in advance of tee times opening up for general play (**8 days in advance by calling the pro shop**). **SIGN UP EARLY!** It is our goal to fill all of our Thursday afternoon with just Men's Association times but please understand, all times that are left available after the initial signup period will be open to the general public. It is important that you sign up for Twilights and Tournaments in advance. Online reservations can be made by visiting our website www.bountifulridgegolf.com.
- **PLEASE CANCEL ANY TEE TIMES YOU ARE UNABLE TO USE.** The proper use of reservation privileges will ensure our ability to set aside times for the men's association in the future and also provide tee times for other association members.
- As always, we will do our best to accommodate your tournament tee time/pairings requests. **Please understand the entire field cannot start at the first tee time** (If you are requesting a specific time please indicate a **90 minute window** in which you can tee off). The last time varies depending on the size of the field.
- Please call as early as possible to cancel from an event.
- You may call in your entry by contacting the golf shop at 298-6040 or by emailing Kent and Scott with your entries.

Handicap Information- Each BRGC Association member is required to have and maintain an accurate Utah Golf Association Handicap card. If you were a member last year the UGA mailed a renewal copy to your listed address. If for some reason you did not receive your handicap renewal form, contact the UGA office at 801-563-0400 or one of our staff. **Your Bountiful Ridge Men's Association Renewal/Member Fee does not renew your Handicap Card.**

- All tournament guests must have a verifiable USGA sanctioned handicap.
- **As a member club within the UGA Handicap system, it is our assignment to promote good handicap procedures. This includes the accurate posting of all scores (good or bad) using equitable stroke control, peer review of all handicaps, and when necessary, the adjusting of handicaps (both up and down).**

** As a member of the Bountiful Ridge men's association **it is strongly recommended that you purchase a handicap card for our golf course.** This will allow you to see your score history each time you post at Bountiful Ridge.

PACE OF PLAY- During the play of our men's association events (including Twilights) you will be expected to play each 9 holes in 2 hours/15 minutes or less. This is not an unreasonable request! (Helpful tips: 1) Be ready to play when it is your turn. 2) Limit your pre-shot routine to one practice swing. 3) Park golf cart in the middle of the fairway so each player can walk to his ball. 4) Be aware that your position on the course should be directly in back of the group in front of you. We appreciate your cooperation with this pace of play guideline. Your fellow association members will thank you also!

FYI...Our Bountiful Ridge Phone App is now available to be downloaded to both iPhone and Android users. Tee times can also be booked from this App and it also provides GPS capabilities for Bountiful Ridge.

- **We will continue with our “Refer a New Member” Program.** If a current member brings a new member (not a member last year) each will get their dues at 50% off (\$15.00 each). As always, we appreciate your efforts in helping us grow our men’s association.
- **Continued added sponsor money in Saturday tournaments.** Again, a special thanks to our tournament sponsors for the added money to our purses.
- **Punch cards can still be used for most Saturday events.** If you chose not to use it you will still receive the reduced “punch card” rate for your green fee (Shotgun start events and Club Championship may still be an all-inclusive entry fee)
- **Back 9 play once a month.** For our nine hole players we will continue trying to reverse 9’s on the last Thursday of the month giving you more opportunity to experience the back 9.

2018 SENIORS Our association Senior Day will be each Tuesday throughout the year. We will structure this similar to our Thursday Twilite play. **You are welcome to play in the 11:30 game (please arrive early)** or make your own groups/tee times throughout the day. **You must play with at least one other association member to be eligible.** (*You may play anytime of the day on Tuesday...*if you need help finding a group to play with let us know and we will do our best to pair you with another association member). You must be **age 55 or older** and have a valid UGA handicap card to participate. Tuesday Senior play will be from the **White Tees markers. Tell your friends and family about our Senior Day!** It is our goal to grow these events each year and add another fun dimension to our association, while providing an additional playing opportunity for our “seasoned” members.
